This 32 year old bottling was aged in twelve bourbon barrels and re-casked into fresh bourbon wood in 2009. It offers a nose of canned peaches, dates, marzipan, and a hint of milky coffee. Rich fruit flavors lead on the palate: peach, pineapple, and mango, with vanilla and nutty oak. Slowly drying in the finish, with warming spices.

Sometimes good bourbon casks are all you need. (3,000 bottles)
