

Dewar's White Label

40%

Honey, fudge, a little melon and white grape, dry roasted spices, and peppercorn, but noticeably less fruit than the age-statement varieties. The palate has pulpy white melon, lemon, lime, and some grapefruit acidity, before sweetening with honey. Quite tart at times, some peppery spice collaborates before the vanilla cream and green fruits take charge. A clean, juicy finish of lemon zest and mild spices coats the throat.
