

**That Boutique-y Whisky
Company Blended
Whisky No.1 35 year
old**

46.5%

Lighter in character than the 50 year old, batch 4 offers aromas of caramel, artisanal chocolate, red fruits, polished brogues, and a fluttering of Asian spices. It has plenty of personality, with molasses, chocolate treacle cake, date, fig, bramble, and black currant, though those spices return, and then it gets rather woody. A sprightly older blend, but beginning to show its age. (1,428 bottles)
