Strong-scented floral perfumes, cotton candy, gumballs, nail polish remover, fruit Jell-O, and sherbet. Imagine Dylan's Candy Bar did a pop-up at Sephora and you'll get the idea. The fruity flavor gives intense orange oils, sweet candy notes, warm caramel, and a fiery edge of peppery spices, cinnamon, nutmeg, and clove. This has everything I want in a grain whisky. (Batch 14; 108 bottles)
