Cherry Wood Smoked
Barley**

A bourbon made with cherrywood-smoked barley in the mash. When chocolate and cherries meet, instant joy can only be improved with roasted nuts sprinkled on top. That's what happens here. It's all there in the opening round, followed by toasted oak, tangerine, pumpkin latte, caramel-covered popcorn, and more cherries, from jam to pitted dark cherries and maraschino to cherry fried pie. If you love cherries, this is a must-have.
