

**Scott's Selection
(distilled at Highland
Park) 1981 vintage**

50.6%

Honey, creamy vanilla, caramel, sultana, and toasted almond along with a hint of lemon gum drops and banana. Quite floral, too -- lavender, heather -- with a gentle, lingering finish. A very soothing, mouth-coating whisky with excellent balance, while still quite fresh. Indeed, a very more-ish whisky -- and sneaky in how it grows on you with each sip.

—Vol. 16, #3
