The Blue Note**

**46%**

Voluptuous, fruity nose of lemon meringue pie, Conference pear, and fudge, with floral top notes balanced by aromatic spices. The flavors are focused around orange, pear, and lemon, infiltrated by caramel and hectored by some abiding spice notes of ginger, clove, and pepper. Late gains made by honey and nougat at the end. Lemon sherbet and aniseed frame the conclusion. Superb sourced single malt from Boann Distillery.
