

Jameson 18 year old
40%

Unmistakably Jameson on the nose, this is a belter of a whiskey: honey, apple, toasted coconut, creamy vanilla, and sublime pot still spiciness. This offers sweet toffee and caramel, bursting with spices, just a hint of sherry, Brazil nut, vanilla, creamy oak, and a caressing mouthfeel. A triumph that exemplifies the glories of pot still blending, and its sherry influence makes for a rich ending.
