old  
40%**

Every now and then, Canadian Club dips into its massive reserves to release a longer-aged version of its core 1858 edition. After an initial hit of toffee, a well-defined woody framework supports signature Canadian Club prune notes, clean grain, and peppery rye. Brown sugar, unsweetened cereal, and hints of barn boards in the middle follow an inviting crispness, enhanced by mild oak tannins and accented by floral top notes. (Canada only) \$60 CAD
