

Lohin McKinnon Wine Barrel Finished

43%

Single malt whisky from British Columbia-grown and malted barley, matured in bourbon barrels, then finished in wine barrels from Black Sage Vineyard in B.C.'s Okanagan Valley. Malted barley leaps from the glass along with a vague earthiness and mild fruits. Malty cereal on the palate, with vanilla, hot spices, milk chocolate, and purple grapes. The port-style wine influence is tastefully subtle. Finishes on dark fruits and milk chocolate. (Canada only) \$60 CAD
