

Glynnevan Cabot Triple Barrelled Canadian Rye

45%

By finishing this blend of two sourced whiskies in its own maritime rum barrels, Authentic Seacoast Distillery gives this classic Canadian whisky a somehow tropical twist. Oily molasses undertones on the nose continue onto a spicy palate, which is syrupy but not slippery, with hints of wet slate, bananas, and heavy fruit. Barrel notes and suggestions of dry oak restrain an initially lush mouthfeel. (Nova Scotia only) \$55 CAD
