46%**

This includes whiskies from nineteen oloroso sherry butts filled in 2007, 2008, and 2011. Medium sherry, orange marmalade, cinnamon, and developing sea salt on the nose. The palate yields more sherry, earthy peat, dark chocolate, honey, and ginger. Fruit spice, sultanas, and charcuterie in the medium to long finish. The best Loch Gorm to date. (15,000 bottles)
