

Laphroaig Quarter Cask

48%

This expression is aged for approximately 5 years in bourbon barrels before spending a final few months in quarter casks.

Characteristic tar, engine oil, and ashy peat on the nose. Oily and full on the palate, with sweet grain notes, cinnamon, seaweed, hot peat, and black pepper. The finish is long and powerful, with persistent peat and chili, plus a sprinkling of sea salt.

—Vol. 27, #3
