

Port Charlotte Islay Barley 2011

50%

This includes whisky distilled from barley grown on three Islay farms. It was mainly matured in first-fill American oak, along with Syrah and merlot wine casks. Fragrant peat, warm tar, ginger, vanilla, and sea salt on the nose. Peaches dipped in salt on the palate, with milk chocolate and more vanilla, then dark berries. The peat is spicy and quite acrid in the long, briny finish.
