

Chivas Regal Mizunara Cask

40%

This whisky is slowly making its way around the world, but it was worth the wait, as master blender Colin Scott's use of mizunara oak makes for an impressively different nose from Chivas Regal 12 year old. Pecans, sandalwood, coriander seed, honeycomb, peanuts, and rich oak aromas herald a warming dram with fabulously developed orange zest and vanilla toffee flavors, before a more assertive finish of dark toffee and tenacious spices.
