

Big Peat Fèis Ìle 2018

48%

Well-balanced offering of sweet citrus, grapefruit peel, and beach bonfire smoke. Cream, lemon, and lime zest are overcome by smoke as the chili spice and pepper go off like a rocket. More disciplined, it settles down to sweet orange, lemon bonbon, cocoa, and driftwood smoke. An incredibly pale whisky, it's punchy, but not overly complex, although it does include some fun stickers to let you customize your own bottle.
