

**Wilderness Trail Single
Barrel Bottled in Bond
Kentucky Straight
Bourbon (Barrel
#14D07)**

50%

It's all about the grain on the nose: corncob, cooked mash, along with hay and grass, brown sugar, and earthy dried herbs. Chewy tannins overtake more subtle fruit and spice notes in the mouth; add a little water to reveal grape jelly, milk chocolate, and cinnamon candy. An impressive start from this young Kentucky distillery, though the short finish shows it has some developing yet to do. (236 bottles)
