

G. Rozelieures Rare Collection

40%

Distilling has been in the Gallet-Dupic family for 150 years. With the influence of sauternes casks, this great value whisky develops a lovely richness with a nose of dates, strawberry, raspberry, passion fruit, dried apricot, hard candy, and mandarin segments in Jell-O. This barrels through flavors of dark orange, mandarin, coffee, after-dinner chocolates, cocoa, black cherry, and bramble, and leaves behind a slow burn with flashes of mint and chocolate.
