

The Famous Grouse Bourbon Cask

40%

Compared to classic Grouse, this has more caramel notes, additional sweetness, and a greater delivery of lemon, vanilla, toasted coconut, and finely shredded orange peel. It's lightly structured, drier, and comes with less-pronounced spices. Sipping reveals sweet light citrus, smooth caramel, vanilla sponge, apricot, soft fruits, and chocolate macaroon bars, with a late development of spice. Sweet caramel hangs on the lips. This is an easygoing, feel-good whisky.
