

The Famous Grouse Smoky Black

40%

Peated Glenturret lies at the heart of Smoky Black, but where will the master blender find her smoke when the distillery is sold?

Contemporary bottlings are rich, warming, and comfortingly smoky, with chocolate, malt, cocoa, burnt fruitcake, and baking spices.

Medium-weighted blend with malt, chocolate, and bourbon biscuits, interwoven with smoke, then cherry, baked apple strudel, and chocolate desserts. Dry smoke, ginger, pepper, and dark chocolate to finish.
