

Rock Town Arkansas Bourbon

46%

Bourbon made with Arkansas corn, soft red winter wheat, and malted barley. White flowers, citrus, fresh dill, and wet cardboard on the nose. The palate is woody and somewhat harsh, with some chocolate, raspberry, and ground pepper flavors. Quite dry, with tannic oak and sticky pine. Bitter oak on the finish. Primarily wood-driven; the oak overpowers the other flavors.

—Vol. 27, #3
