

**Pennington Distilling  
Co. Davidson Reserve  
Rye  
50%**

Though it takes some easing into, this whiskey shows pretty clove and vanilla notes on the nose, along with some Elmer's glue and grape Kool-Aid. The palate is where the rye grain starts to shine, with spice, peaches, plums, and milk and white chocolate, and cooked cherries on the finish. Water is a must to cut through the youthful heat.
