

Old Pulteney 15 year old 46%

This expression replaces the previous 17 year old, and has been aged in bourbon and second-fill American oak casks, followed by a period in first-fill Spanish oak oloroso butts. Sherry is immediately obvious on the nose, with fresh-baked fruitcake aromas, honey, and allspice. The palate is sweet and spicy, with Jaffa orange segments dipped in sea salt, toffee, and dark chocolate. Orange and oak in the medium-length finish.
