

## Highland Park Valknut

**46.8%**

This follows Valkyrie in the Viking Legend series. Distilled using a proportion of Tartan barley grown on Orkney, which is said to produce additional smokiness.

Matured mainly in sherry-seasoned American oak casks. Smoldering wood embers on the early nose, with heather in bloom and apple blossom. Vanilla, cloves, and smoky citrus fruit on the palate. The finish yields peat, aniseed, and nutmeg.
