Sliced apple, fig rolls, hot chocolate powder, baked orange, seasoned oak, and a wisp of light smoke like a red glow from burning newspaper. It has a contented, unperturbed, insouciant character. Cinnamon toffee yields to sweeter notes, with vanilla, dried fruits, and baked peach, and then goes long on nutmeg under drifting smoke. The woodiest of Walkers, this concludes with cinnamon, nutmeg, clove, allspice, and a catch of smoke. (*Travel Retail exclusive*)
