## **Bushmills 21 year old**

**40%**

Bushmills' sumptuous magnum opus spins aromas of sultana, brown sugar, walnut oil, date slice, chocolate-covered cranberries, leather gloves, and a hint of espresso. The dark, crepuscular mystique continues in the syrupy mouthfeel redolent of forest honey, banana bread, nuts, browned butter, sultana, date, and blackberry. Utterly beguiling, the Madeira finish works wonders here, right through to the last moments of the smooth, sweet finish. A must-try for all.
