

Timorous Beastie 24 year old

46.8%

Coconut macaroon, baked sweet pastries, peach purée, sanded oak, Starburst chews, pear, caramel shortbread, strands of orange zest, and crushed allspice and coriander seeds. Far from timorous, this grown-up Highlander has the heart of a lion, with flavors of cooked apple, dark molasses, vanilla pod, lots of oak tannin, pepper, and coriander seed, with a finish of dark sugars and peppery heat. Quite an animal. (828 bottles for the U.S.)
