

Navazos Palazzi Spanish Grain

53.5%

A sultry, earthy, fragrant whisky, with black cherry, currants, dunnage warehouses, sherry, ground ginger, dry oak, and chili flakes. Warm and enticing, this displays great structure: black cherry, sultana, and dried fig; a middle phase of cavorting spices that are soothed into a lengthy finish of spicy, rich dried fruits. Plenty of sherry character makes this a delicious find, but it would be interesting to try a less cask-driven expression. (900 bottles for U.S.)

—Vol. 28, #1
