

Dusko Fine Whiskey

40%

A dull stewed-fruit note with polished apples, pink blancmange, rose hip, and a dash of spice, but not a very demonstrative whisky. The body is light and flimsy, even for a 3 year old blend, and the palate offers the return of that sweet pink blancmange, light caramel, and the sweetness of candy cigarettes. It crosses the line with late sugary sweetness and a short peppery finish. Life's all about choices.
