

Glenmorangie Allta

51.2%

This Private Edition expression was made using a strain of yeast found growing on local barley. It was aged for approximately 8 years in mostly second-fill and refill bourbon casks. Barley sugar and honey on the nose, followed by lily of the valley, lavender, and white pepper. Big gingery fruit notes on the palate; fresh-squeezed orange juice, vanilla, and black pepper. The finish is long and attractively earthy. *Editors' Choice*
