

**Cask & Crew Blended
Rye (Batch 1)**

40%

A blend of 51% 3 year old Canadian rye and 49% aged American corn whiskey. It has aromas of peanut shell, tea leaf, dill, mint, Popsicle stick, and bags of grain at the general store. The light-bodied palate is redolent of pencil shavings, chamomile, dried Turkish mint, and oaky spice, finishing very quickly.
