Peanuts in the shell, PayDay bars, toasted grain, caramel, butterscotch, purple plums, ginger root, black tea, and layers of spice on the nose. The palate is rich and deep, with dark chocolate, roasted peanuts, blueberry pie, concord grapes, Cherry Coke, ginger, black pepper, and lush chai spices. It finishes velvety and full, with persistent dark fruits, roasted nuts, and dark chocolate. At barrel proof, this is a whiskey to explore: the more water you add, the more depths you plumb.
