

**Bardstown Bourbon  
Company Phifer Pavitt  
Reserve**

**53.5%**

Aromas of oak, dried fruit, and horse saddle set up for a sucker punch of leather boxing glove from this big and brawny bourbon. But it also dances with grace, tickling the tongue with sweet spices, dark bitter chocolate, and wisps of tobacco. Intriguing notes of horehound, cocoa-dusted almonds, and baked apples are lip-smacking good, and it handles water well, revealing ever more depth.
