

Kentucky Owl Straight Bourbon (Batch 8)

60.5%

A nose of cherry, peppermint, vanilla frosting, pound cake, buttered toast, cherries, cola, peanut shells, rye seed, and old warehouse. The palate is big and powerful yet smooth and sophisticated. It's chewy and spicy, with chocolate fudge, peanuts, white pepper, fresh cherries, bitter espresso, leather, and old oak. There's great length on a finish of chocolate, cocoa powder, raspberry, cigar box, and baking spice. Toasty and delicious; a tour de force.
