

**Tumblin' Dice 11 year
old Straight Bourbon
50%**

Some whiskies reveal their maturity with just one whiff, and this is one of them, with notes of varnish and mothballs, along with cooked dark fruits—cherries, blackberries, blueberries—sassafras, root beer, and rich spices. More maturity is revealed on the palate, which is tannic but not dry, and viscous, showing off blackberry cobbler, brandied cherries, pecans, roasted peanuts, cracked pepper, and ginger. An excellent, lengthy finish that draws out the fruity, rich spice and practically demands a cigar.
