A delightfully complex nose of vanilla, hot cross buns and bakery shop, cherries, coconut, raisins, figs, licorice, old leather, and hay barn. A smooth, viscous palate offers lemon honey, fragrant oak, cigar ash, dark berries, and more coconut. Spicier notes emerge with water, while the finish offers rich smoothness, with spiciness, chocolate-covered coconut, tobacco, and bitter herbs. Lots of depth and complexity. A great whiskey to enjoy with a cigar.
