

Scottish Leader

40%

This rich, smooth, and enticing blend first launched in 1976. It offers aromas of barley, malt, honey, praline cookies, vanilla seed, and smoke. The palate is bright with honey, citrus zest, Quaker Oat Crisp, graham cracker, and vanilla fudge, with gentle pepper, hot cross bun, and orange notes appearing as it becomes creamier. Orange, barley notes, and smoke dance off into the finish.
