

Broken Top Bourbon

43.7%

Made at Oregon's Cascade Street Distillery and purporting to be "mountain-style" bourbon, this whiskey presents a mix of herbal and fruity aromas to start, along with baking spice, brown sugar, and vanilla frosting. The palate is light-bodied but rich in oak, roasted nut, dried chili, cocoa powder, and cigar, with dried flower notes when water is added; plenty of oak and dark chocolate on the finish.
