

Penelope Four Grain Straight Bourbon

40%

Notes of red fruit, blueberry, dried cherries, Grape Nuts, lemon oil, and an herbal spiciness on the nose, balanced against an influence of drying oak. The palate is smooth and light, with cinnamon, milk chocolate, peanut shells, green pepper, and oak tannins. The finish is sweet and offers a tropical note of sweet orange and lemon. This whiskey is light, but the four-grain mashbill creates an intriguing non-traditional profile.
