

**Gordon & MacPhail
(distilled at Mortlach)**

36 year old, 1970 vintage, 43%

Deep amber, mahogany color.
Very mature and well-balanced.
Notes of maple syrup on pancakes,
roasted chestnuts, dates, pot still
rum, burnished leather, maduro
tobacco, and subtle Moroccan
spice. Soft, stately finish. Older
whiskies often show an exotic side
to their personalities as they
mellow out with age, especially if
the wood influence doesn't
dominate. This is a very nice
example of the genre.
