

Matsui Sakura Cask

48%

A nose of cola gummies, Dr.

Pepper, fresh green apple, poached pears in cream, dried strawberry, tree blossom, white pepper, allspice, and mint leaves. This whisky, finished in a cask with Japanese cherrywood heads, begins delicately with sweet fruit syrups, before unwrapping golden caramel with a core of spice.

Baked apple notes, strudel, unsweetened citrus, and a tang of bitter fruits, which abate to a mouth-coating finish of orange oil.
