Spirits Single Cask  
Single Malt (Cask #662)**

**60%**

Expressive and aromatic on the nose, with mingling aromas of spiced smoke—like burning sage—dried herbs, sandalwood, rose petal, and citrus oil. Its high proof equals big flavor on the palate: a rush of guava, pineapple, and kiwi dusted with cinnamon, then almond, pipe tobacco, and mocha. Adding water brings out more savory notes that meld seamlessly with the spice, nuts, and rich dark chocolate. The lush finish swirls with chocolate, raisins, bitter almonds, and tropical fruit. You'd be forgiven for thinking this was sherry cask-finished, but it's actually from a single bourbon barrel. (120 bottles; Norfolk Wine & Spirits exclusive)
