Antique amber color. Thick, mature aromas of toffee, leather, candied fruit, and mint. The aromas are tightly bound at cask strength but open up with a bit of water to reveal spicy wood resins and a hint of tobacco. Thick, almost chewy in texture. Its flavors are similar to its aroma (and nicely balanced), with the sweeter notes (toffee, candied fruit) up front and the drier, more spicy notes (mint, wood resins, leather) beginning in the middle and continuing to its finish. A lovely balance of flavors and not one bit too old or woody.
