Straight Bourbon  
(Batch #3)**

**45%**

This Tennessee bourbon was bottled by non-distiller producer The Louisville Bourbon Transit Co.

The nose offers toasted oak, blueberry pie, bakery shop, caramel, cinnamon spice, and bitter orange. A smooth palate of milk chocolate, melted caramel, blackberry, and black pepper is followed by a lightly spiced finish that offers more chocolate, as well as balanced oak, vanilla, coconut flakes, and almond. Spice melds with sweeter bourbon notes to create a unique, flavorful whiskey.
