

Knob Creek Quarter Oak Kentucky Straight Bourbon

50%

A portion of this limited-release straight bourbon is aged in new charred oak quarter casks, which enable more contact with the wood. The nose offers vanilla, licorice, dried herbs, red fruit, confectionary sugar, iced tea, and orange peel. A chewy palate shows off the oak influence, and has notes of spice, chocolate-covered candied oranges, blackberry compote, cinnamon, and peppercorns. Drying oak on a finish of dark cherry, chocolate, orange, and cola.
