

Maker's 46 Straight Bourbon

47%

Aromas of cooked cherries and plums, caramel, cocoa powder, tiramisu, toasted tobacco leaves, cut grass, and pulled taffy create a heady first impression. In the mouth, it's silky and somewhat light, with notes of peanut, walnut shell, cherry cough drops, cinnamon, black pepper, and cigar wrapper. The finish is short and leathery, with espresso, cocoa powder, and bitter almond.
