

Wyoming Outryder American Whiskey

50%

A blend of two whiskeys: a high-rye bourbon and a whiskey made with 48% rye, 40% corn, and 12% malted barley. Dill, tarragon, spearmint, iced tea, cured tobacco leaf, roasted nuts, red apple, black cherry, and lemonade on the nose.

A balanced and textured palate, with iced tea, dark fruit, roasted pecans, mild spice, and rich chocolate flavors. More richness on the finish, which is lengthy and lush, with dark chocolate, pecans, and iced tea. This is well-proofed, but a little water makes it sing.
