

**Virginia Distillery Co.  
Cider Cask-Finished  
Virginia-Highland  
Whisky (Batch #4)**

**46%**

This marriage of the distillery's own malt whiskey and blended malt from Scotland's Highlands is finished 8 to 12 months in cider casks and released every fall. Autumn leaves, minerality, and earthy peat on the nose, along with mulling spices, apple, and pear tart. A malty balance of vanilla cream, lemon pie, and caramelized sugar fills the palate, followed by a lingering finish of spice and baked fruit. The third consecutive release of Cider Cask to score at least 90 points. (1,902 bottles)

—Vol. 28, #4
