Prelude: Courage and  
Conviction American  
Single Malt**

**46%**

A limited-release preview of the distillery's first American single malt label, Courage & Conviction, which will launch in April 2020.

Aged at least 3 years in sherry, bourbon, and cuvée wine casks, this whiskey has a malty nose with notes of dried fruit, wood spice, lime, and pineapple. Baked apples, figs, vanilla, and baking spice on the palate, with a honeyed finish of toffee, toasted oak, and almond. A deft balance of barrel influences.
