

Jameson Caskmates Revolution Brewing

40%

Fresh, clean floral scents, light honey, golden syrup, and a hoppy edge hail this latest collaboration created by finishing Jameson whiskey in barrels seasoned with Chicago-based Revolution Brewing's Fist City pale ale. The taste begins with fresh hoppy notes, slightly herbal, with gentle spices and an active pepperiness that grows larger in the headlights. The long spicy aftertaste follows the vestiges of the creamy nougat, vanilla, and green apple flavors.
